24 incurred and shall be billed at the Special Master's actual out-of-pocket cost. All payments  
25 to the Special Master shall be made from the settlement funds and be allocated pursuant to

13 agreements referenced above shall be administered under the continuing supervision of this  
14 Court, and shall be treated, administered, maintained, managed and operated at all times as  
15 qualified settlement funds within the meaning of Treas. Reg. Section 1.468B-1 through  
16 mechanisms that provide for the Escrow Agents to make such elections as are necessary or  
17 advisable to treat the Escrow Accounts as such, including the "relation-back election" (as  
18 defined in Treas. Reg. Section 1.468B-1) back to the earliest permitted date, and to make  
19 reasonable assurance that the Escrow Accounts will be in a financial position to pay all  
20 claims in strict compliance with the terms of the settlement agreements and as directed by the  
21 Court. This order shall be effective *nunc pro tunc* to the date(s) of lodging of each of the
